Travel Agencies.

Every person sooner or later appears to be a traveler. He may once find it necessary to travel for business or for pleasure. The easiest way to do that is to apply to a travel agency. You will save a lot of time, and avoid unnecessary headaches. The thing is you will buy a ready-made product with all the ingredients you hold important. You will buy it with no hurry and tiring queues, and at a low cost.

Just imagine looking for tickets, hotels, coaches, cars, sightseeing tours, guides, and what not on your own at different companies providing such services. Besides, all those separate services would cost you much more than a package tour.

There are plenty of travel agencies in every country available for tourists use. They are like numerous shops selling numerous products. There is usually a wide choice of products from various rail or air tickets to various tour packages. Like shops travel agencies are normally specializing in particular products: services and destinations.

Travel clerks in their turn like friendly shop assistants help customers to choose the right product at the best price for them. The primary concern of a good travel agent is to offer every customer a good bargain.

In civilized countries there is no cheating: travel agents do their best to make you their regular customers. That is to your advantages as well: being a regular customer gives you more and more discounts from a regular tour price. A day may come when you will enjoy complimentaries as a bonus: a complimentary sightseeing tour or a free pass to an exhibition

1. Read the text. Look through the statements below and decide whether they are true or false. Put "T" if the statement is true, put "F" if the statement is false.

People travel for business or for pleasure. The easiest way to do that is to apply to a travel agency. You will save a lot of time, and avoid unnecessary headaches. The thing is you will buy a ready-made product with all the ingredients you hold important. You will buy it with no hurry and tiring queues, and at a low cost.

Just imagine looking for tickets, hotels, coaches, cars, sightseeing tours, guides, and what not on your own at different companies providing such services. Besides, all those separate services would cost you much more than a package tour.

There are plenty of travel agencies in every country available for tourists use. They are like numerous shops selling numerous products. There is usually a wide choice of products from various rail or air tickets to various tour packages. Like shops travel agencies are normally specializing in particular products: services and destinations.

Travel clerks in their turn like friendly shop assistants help customers to choose the right product at the best price for them. The primary concern of a good travel agent is to offer every customer a good bargain.

In civilized countries there is no cheating: travel agents do their best to make you their regular customers. That is to your advantages as well: being a regular customer gives you more and more discounts from a regular tour price. A day may come when you will enjoy complimentaries as a bonus: a complimentary sightseeing tour or a free pass to an exhibition
